

## July 12-17 First Call, Judgments & 6 Days of Darkness Commentary

See both numbers are literally living in the SAME house, because on the same date of June 26 and 27, both Tammuz dates according to Jewish, Enoch & Elijah's calendars were two different Tammuz dates on the same Gregorian date, that's why they're equal together. So when you see Tammuz 11, you are seeing it as Tammuz 9 at the SAME time.  $9 + 11 = 20$ ,  $10 + 12 = 22$ , since July 11 could be merged into July 12 by sunset to sunset setting, Psalm 18 (2 Samuel 22) & 20 would be going together on the SAME day.

July 11 is pretty ironic because the birthday of the 711 convenience store is on this day. If you multiply 7 with 11, it comes up with 77! This seems to be relating to the birth of the bride of Christ. The number 7 means perfection and this is relating to the perfect glorified body of the bride. Christ was born in the 77th generation, and as Christ represents the bride of Christ as they both pick up the cross, therefore 711 could mean the day of transformation. Putting up the clocks with 711 has come up with these interesting numbers:

The number 1 landed on 12 & 6 twice, while 7 landed on 9 & 6. These numbers seem to contrast with each other, because 7 consists of both 69 that resembles the cancer constellation meaning a "hiding place" for the bride, and its claws refer as to how no one will be able to snatch away God's lambs out of His mighty hand. The number 7 means perfection and rest, referring to the transformation of the bride of Christ. The number 12 means "no more time", "darkest before dawn is over", "freedom vs. doom", "new beginning", and "turning point". The number 6 is at 30 minutes that is half of an hour meaning "division". Adding 12 with 6 equals to 18, and divided by 3 would be 666. Having it twice means DOUBLE judgments, because there will be NO MORE TIME to the West and East Coast of America. When 7 & 11 are connected, they spell out 666 again!  $1+2+3+4+5+6+7+8+9+10+11=66$ ! Imperfections! This is echoing back to the number 11!

711 store's previous opening hours were 7am to 11pm end of business, reflecting how the number 11 is about the END. In the past, the store sold basic things such as bread and milk, and the ending of this on July 11 in relation to the 6 days of darkness, meaning those who do not belong to God will be fasting food. Then on their 7th day out of the darkness, signifying 7am where the people could get their food again. 711 stores is a WORLDWIDE chain, having a relation with the WORLD. The number 11 means chaos, confusion, disorder

and judgment. In Genesis 11 talked about the entire earth was of one language, as though July 11 is related to the issues of the WORLD.

(logo credit: wiki) The green background of this logo represents "new beginning", "eternal life", "fresh oil" and "resting in God" according to the scriptures. The red color pointing to 6 o'clock direction represents "fire", "judgment" and "bloodshed". The orange color pointing to 9 o'clock represents "relationship/companionship with God" and "fire". Orange colored fire is higher temperature than red fire; therefore this

might mean the judgments upon NYC will be heavier because the speculated timing of the earthquake would be around 11am in their local time, whereas 9 is in the same house with 11? The white color represents "purity" and "righteousness". This could be signifying that on July 11 in Israel's time, the bride of Christ will be transformed, while on the SAME day both judgments will take place upon CA & NYC? See the word ELEVEN as EL-EVE-N and how EVE is sandwiched with 7. The definition of "EL" abbreviation means "elevation", "EVE" means "life", "end of day", "night" or you may call EVE as EVEN equally. Again, this is referencing the elevation of the bride of Christ, her transformation and the coming 6 days of darkness.

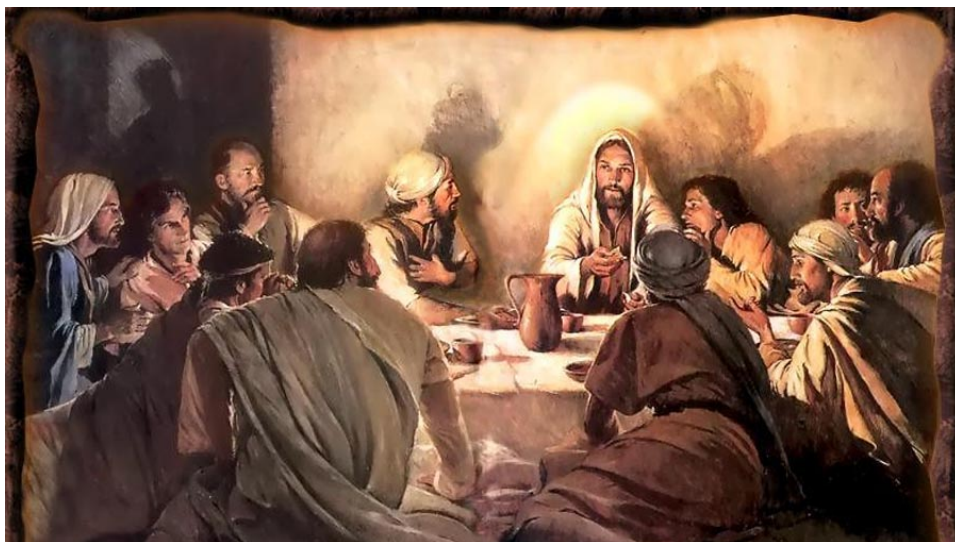

Remember how counting back 43 days from July 9 landed on May 28? May is as November because of the February relationship on the calendars' wheel. November 28 was the comet Ison (disaster) and since both July 9 & 11 got Tammuz 24, they're connected together.

Therefore, July 11 can be seen as a DISASTER day. Interestingly, on July 5 counting 43 backwards landed on May 24 1st Pentecost! See how Genesis 5:24 is about the taking away of Enoch (the bride of Christ)? When you count 7 upwards from July 5, it landed on July 11!

The circumference of a circle aka pi ( $\pi$ ) equals to 3.14159265359, while 22 divided by 7 equals to 3.14285714286 which is very similar to pi when it's round up to 3.14. Therefore, the end of the end/ death represented by 22 is related to July, but when it's "divided" would be 11. Genesis 3 is about The Fall of Adam and Eve, see Proverbs 16:18 "Pride goeth before destruction, and an haughty spirit before a fall." Moreover, in Revelation 3 it talked about the church in Philadelphia will be kept away from the hour of trial through an open door. Hebrew reads from the right to the left, opposite to English reading style. By backwards of alphabetical numbers of Pi results 11 (chaos/judgment) & 18 (Psalm 18 transformation) in relation to July 11 (711). Since 3.141 represents Pi and Hebrew reads backward, thus leading to M (14) & N (13), see them as July 13 & 14. Genesis 3:14 is interesting "And the Lord God said unto the serpent, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life:" This seems to be favoring 14th more than 13th of July, however, since both 13 and 14 sticks together, this leads to July 11-12 being stuck together according to sunset to sunset setting. The speculated 3 days of worldwide darkness begins on July 13, and this is related back to the rainbow flood and 711. Amazingly, when typing "NM" in the Hebrew translator, it came up as "מִן" & "מִן" meaning "miracle", and "slumber". This reminds me of Matthew 25, see v5 "While the bridegroom tarried, they all slumbered and slept." and v10 "And while they went to buy, the bridegroom came; and they that were ready went in with him to the marriage: and the door was shut." The meaning of "miracle" is "supernatural phenomenon"; see how the "door" could be a supernatural phenomenon.

Rainbow must come after the rain, and the word "rain" is synonyms to "flood", therefore they are related in terms of the sin of homosexuality and the judgment from God. Also, the actual shape of the rainbow is NOT an arc, but a full 360 degrees circle and a circle represents unity, wholeness and infinity. The rainbow is related to the flood and therefore when things are referencing back to the rainbow, just as in the days of Noah, this generation will experience the worldwide destruction again. The bride of Christ could be transformed in wholeness, united with God in one and steps into eternal life on July 12, although by sunset to sunset setting would be July 11 in Israel's time. The order of the rainbow is as red (1, 7), orange (2, 6), yellow (3, 5), green (4, 4), blue (5, 3), indigo (6, 2) and violet (7, 1). The colors orange and green are interesting when you see them as 26 and 44. 26 resemble Tammuz 9 & 11 of June 26 and 44 represent bloodshed and judgment. The colors of red and orange were used in the 711 logo, and by matching the Ten Commandments of God, 1 & 7 are referring to idolatry and adultery, while 2 & 6 are referring to graven images and murder. Since the red color was pointing to 6, in the speculated timing of California's earthquake would be their local time 6am, and June 26 gay marriages legalization nationwide in America is related to California as well, so called the Sodom and Gomorrah who were participating homosexual sins. California is definitely full of idolatry, because of the celebrities falsely exalting themselves above the world and God. Their blasphemous Hollywood entertainment industry promotes lawlessness and immorality such as sexual sins. Also, if orange (2, 6) represents New York City, see Revelation 18:24 "And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth."

(Picture credit: Christianity Malaysia) The number 153 is a hexagonal (6 corners) and a triangle number. The total internal angles sum up to 720 degrees, but if you divide that by 6, it ends up as 120 degrees each. Know that 120 years is the tolerance of God, and now we're already in 120 Jubilee years at 120 degrees pointing to July of the calendars wheel. This is when we count 7 days of warning until the worldwide flood (destruction) comes. Triangular pyramids are from Egypt that represents the World! Triangles have 3 corners, representing the trinity of God (Father, Son and Holy Spirit). Also, 3pm could possibly be the time of

Jesus' death, while the third hour of the cross which was our 9am represents judgment. The 153 miraculous catch of fishes was recorded ONLY in the Book of John, and John was the closest to Jesus Christ. This miracle of Jesus was performed after His resurrection, in His LAST appearance with His **11 disciples** before the ascension to Heaven. The catch was 153 great fishes, and the fish net did NOT break at such heavy weight! This is referring to the harvest that none will be missing as Jesus catches the fishes, for men alone cannot do it through the example of the disciples who weren't able to catch any the night before, but only when Jesus appeared things went successful. This is subtly referring to the equations of  $6$  (fallen men) +  $1$  (God) =  $7$  (Perfection), thus signifying the significance of July. The number 153 symbolizes "overflowing blessings from God"; also The Lord was blessing people through healing, where He blessed 153 people in 48 parts of events.

153 is referring to 2015 June of month 3 Sivan, and right now this month of July is still equal to June because of Tammuz relationship. Since John was the closest to Jesus, this can be compared to Enoch's walk with God, because Enoch was walking very close with God that even the fallen noticed his holiness, his ability to go back and forth to Father God, and then he was not because God took him. Enoch represents the bride of Christ; therefore the miraculous catch of fishes could be related to the bride of Christ as the harvest of first fruits by God? Perhaps this 153 harvest of fishes is also related to harvesting the wheat brides, which the great last harvest completely powered by God (God manifests through the barley brides) could be really huge, because it was performed after His resurrection aka the 3 days of darkness. In Revelation 11 is about the two witnesses, which are Enoch and Elijah. This reminds me of two brides of Christ will be paired up to witness and heal during the Great Last Harvest. The catch of fishes reflects how none will be missing but ALL possible lost sheep will be found before the rapture. The bride will be successful as she will BE and let God DO ALL the work through her empty vessel.

(credit: tinypic) See how July 12-17 speculated First Call period is directly echoing back to Revelation 6? The description of the sixth seal started on verse 12 and ended on verse 17! This is confirming the accuracy of the coming date July 12-17 in Israel's time. The encryption of counting to this date is revealed, even though we know the date but the working process that led to this conclusion is another important thing to know about. I'm very thankful for the guidance of the Holy Spirit and many failed attempts, which helped me to further improve my skills of watching the dates!

It looks like it is hidden in plain sight; however, I wonder why I wasn't getting into the right spot at an earlier time, but you see it's quite tricky because it's not as straightforward as you may think. Pentecost is very significant to the birth of the bride of Christ because that was the time of Enoch's birthday, and he represents the bride because both walk closely to God, therefore will be taken away. Counting the Omer of the 2nd Passover from May 5th to the 2nd Pentecost landed us on June 23-24. Jesus is a God of 2nd chances, and you can see His mercy of a 2nd chance to the world by offering them the 6 days of darkness so that they could repent to be saved in Christ before the rapture! Even another 3rd chance of reaching out to the lost sheep after the 6 days of darkness through the Great Last Harvest!

Anyway, back to June 23-24 was the 2nd Pentecost, but we have to do Enoch's 16 days delay from Tammuz 6 as July 6 for example. Tammuz is through both June & July; therefore Tammuz can also be seen as July, not just June. At 120 years tolerance of God would be 2015's 120 Jubilee year, and at 120 degrees is pointing exactly to July. This is related to the worldwide flood in the days of Noah, therefore counting the 7 days warning before the flood from July 1 is necessary. By the maximum boundary of July 1 landed on July 5 because of Tammuz 16 & 18 relationship, where there is a threesome linked relationship because of 3 different calendars used (Jewish, Enoch & Elijah). Counting 7 days forward from July 5 lands on July 11, and by sunset to sunset setting July 11 is merged with July 12 as the SAME day, therefore July 12 is the 7th day warning. Also, Tammuz 22 is linked with July 11 because both July 9 & 11 have Tammuz 24 relationship. July 12 would not be the flood yet, but July 14 could be the day of the global earth shaking as described in Revelation 6, and these dates are linked together by Tammuz 27 relationship, therefore the 7th day warning before the flood ends up on July 14! See July 12, 13, 14 as Psalm 23:4? The valley of the shadow of darkness! July 11 is still the 2nd Pentecost by the secondary Pentecostal date of Tammuz 11, which is the maximum boundary. July 12 is the speculated date of the transformation, and 12 represents midnight; a new beginning, the darkest before dawn is over...etc.

(picture credit: the orthodoxlife) The number 7 represents July and some Hebrew alphabets look like 7 as well! Both dalet ך and resh ך look like the number 7! When using the Hebrew translator of "dalet" (תלד) it came out as the definition of a "door"! Also the word "resh" (שאר) it came out as the definition of the "head"! This could indirectly mean that July is the month of the First Call because of the door in Matthew 25:10! The First Call is for the

barley bride that matures faster than the wheat brides; therefore as the baby comes out of the mother headfirst, the barley bride is the HEAD that comes out FIRST, while the wheat

bride as the baby's body follows after to be birthed, and that's when the birthing process is completed. Let's explore Genesis 7 below (same color as the same date, 7:11 as July 11), also see how counting from verse 4 to 10 is the 7th count? July 10 is Tammuz 23, and that's echoing back to June 23. This is RESTARTING the game and to see Tammuz 23 = Tammuz 25 as Tammuz 25 of July 7 yet also July 14 because of their Tammuz 27 relationship. Tammuz 23 is as the 6th and 24 as 7th, because back on June 23 was Tammuz 6 & 8, which means July 11 merging to July 12 as 6th & 7th! This is matching back Warrior Princess' June 6 final countdown and Erin's June 7 CA's disaster.

Genesis 7:1-13 King James Version (KJV)

7 And the Lord said unto Noah, **Come thou and all thy house into the ark;** for thee have I seen righteous before me in this generation.

2 Of every clean beast thou shalt take to thee by sevens, the male and his female: and of beasts that are not clean by two, the male and his female.

3 Of fowls also of the air by sevens, the male and the female; to keep seed alive upon the face of all the earth.

4 **For yet seven days, and I will cause it to rain upon the earth forty days and forty nights;** and every living substance that I have made will I destroy from off the face of the earth.

5 And Noah did according unto all that the Lord commanded him.

6 And Noah was six hundred years old when the **flood of waters was upon the earth.**

7 And Noah went in, and his sons, and his wife, and his sons' wives with him, **into the ark,** because of the waters of the flood.

8 Of clean beasts, and of beasts that are not clean, and of fowls, and of every thing that creepeth upon the earth,

9 There went in two and two unto Noah into the ark, the male and the female, as God had commanded Noah.

10 And it came to pass after seven days, that the waters of the flood were upon the earth.

*11 In the six hundredth year of Noah's life, in the second month, the seventeenth day of the month, the same day were all the fountains of the great deep broken up, and the windows of heaven were opened.*

12 And the rain was upon the earth forty days and forty nights.

13 In the selfsame day entered Noah, and Shem, and Ham, and Japheth, the sons of Noah, and Noah's wife, and the three wives of his sons with them, **into the ark;**

June 26 is as Tammuz 26 that is July 13 being merged with July 14. June 26 was on Tammuz 9 & 11, which means the homosexual sins of America are directly related to July 14! This could be the day of the global earth shaking of Revelation 6's sixth seal. Remember the gay's pride rainbow is related back to the rainbow after the flood!

The 1st sign of Jonah's on October 16-19, 2013 was representing the 3 days of darkness to come. See how 6 & 9 are again pointing back to July? On July 16 will be Tammuz 29 but it will also be on July 14 because it will also be Tammuz 29! Therefore, July 14 will possibly be playing the start of the 3 days of darkness until July 17 exactly the same pattern! 14 as 16, 15 as 17, 16 as 18 and 17 as 19! July 9 counting back 43 days was May 28, and because May is as November by the February relationship through both Gregorian and Hebrew calendars. Since Tammuz 26 which is July 13 will be merging with July 14 as one day, June 26 was Tammuz 9 representing July 9; therefore July 14 will possibly be the day of DISASTER because it will be July 9! Tammuz 28 will be on July 13 and remember how 28 mean the END? July 13 as July 14 could definitely be the END! The November 28 was Hanukkah and from this day until the END of November (November is the END according to 711 opening hours; closing at 11pm) therefore as the END of the END. It was 25-27 Kislev resembling the 3 days of partial darkness of July 12-14, because of Tammuz 25-27 EXACTLY!

June 30 was the largest asteroid upon the earth representing the global earth shaking, and it was Tammuz 13 as July 13! Also, Tammuz 22 was on July 9 where July 9 was related to May because of the 43 days counting backwards, therefore symbolically seeing July 9 as May 22 where that date was the global great shaking. Since July 9 is as July 14 because July 13 merged with July 14 will be Tammuz 26 reflecting back to June 26 of Tammuz 9! Previously, the clock that was pointing to Norway from Israel was representing 3 days of partial darkness, at 11 o'clock could also refer to July 11 that will be merged with July 12 because of sunset and sunset setting running with Gregorian timing together. It was on a March 20, representing July 7 because it was on a Tammuz 20. Tammuz is part of June and July; therefore it can be called as March because June was with month 3 Sivan. July 7 is as July 12, counting backwards of July 9 at July 14. The 4 o'clock pointing from Israel to Newcastle, NSW Australia was representing Tammuz month 4 that is Jewish April. It was on April 20-22 3 days without power representing 3 days of partial darkness, as Tammuz 20-22 that is July 7-9 aka July 12-14 as explained before.

#### **Brief Summary of Timeline Events (Speculation)**

1. Transformation on July 12 in Israel's normal time around 6pm
2. Training period 7 days starts on July 14 in Israel's normal time around 7am
3. Great last harvest starts on July 17 after Israel's normal time around 10am?
4. Approximate 40 days of ministry before rapture of the bride of Christ (don't know the exact timing of the rapture, period)
